

# NCSSA 2023 CONVENTION & TRADE SHOW

## *2023 Inductee*

Each year NCSSA recognizes some of the North Carolina Self Storage owners/operators/vendors/organizations/managers that have gone above and beyond and helped shape our industry in North Carolina by nominating them for the NCSSA Hall of Fame. Nominees are pioneers, innovators, respected entrepreneurs, great leaders, or hard workers willing to help anyone to improve the self storage industry.

NCSSA is pleased to announce our newest Hall of Fame member.

## **Eddie Stallings** *Stallings Storage*

Eddie was the owner of a single facility in Greenville, North Carolina and served the self storage industry within the state with dignity. He was instrumental in bringing attention to the eastern part of the state by gaining the trust of the owners there. Because of this, the association's membership increased significantly in that part of North Carolina. Eddie has been an active member of the NCSSA for over 10 years and is always willing to step up and help physically and financially. He served as president in 2018, always keeping the single facility owners in mind. Making sure they knew that their concerns were heard. He led with integrity, heart, and a big smile! Eddie resigned from the board when he sold his facility, but never stopped taking calls for his advice. He continues to reach out to see how he can help even today. Eddie Stallings set the example of what independent owners can do to help the self storage industry stay relevant and continue to grow. □
